FOR PET OWNERS

Arizona is a desert environment that has more dangers for your pet than those you may be used to. Coyotes, javelinas, bobcats, mountain lions, hawks, eagles, owls, rattlesnakes, scorpions, toads with poisonous skins and other such creatures are all present in our surroundings and may pose a threat of injury or death to pets, especially small dogs. Many of our native plants have needles, stickers or barbs that can get into a dog's feet, nose, ears or hair. In addition, the desert heat can be hazardous.

Due to such dangers, and for the safety of guests and staff, dogs must be leashed at all times outdoors. We recommend that you walk your dog on paved paths only.

The safety and health of your dog is your responsibility. You are also responsible for your dog's behavior at all times. Canyon Ranch assumes no liability for your pet.

RELEASE AND WAIVER OF LIABILITY

I have read the information for pet owners. I warrant that my dog has a current vaccination against rabies. I assume all liability for my dog and its behavior during my visit to Canyon Ranch. I hereby waive and release, on behalf of myself, my heirs, executors, and assigns, ZC Management, L.L.C., their affiliates and associated entities, and all employees and agents, from and against any and all claims, liabilities, costs, attorneys' fees and judgements arising out of any loss, injury, illness, expense or other harm pertaining to my pet.
