CANYON RANCH® AND REGENT SEVEN SEAS CRUISES MAKE WAVES WITH FIRST-EVER SPA SUITE ABOARD WORLD'S MOST LUXURIOUS CRUISE SHIP

Acclaimed SpaClub at Sea® Portfolio Expands to Onboard Twenty Ships

What: Canyon Ranch today launches its twentieth SpaClub at Sea® location aboard *Seven Seas Explorer*, the most luxurious cruise ship to hit the high seas to date. The newest of the Regent fleet, the addition of Canyon Ranch as the spa and wellness provider on *Seven Seas Explorer* strengthens the partnership between the premier brands, with SpaClub facilities now available on all ships.

Seven Seas Explorer sets a new standard for cruise vacations with the introduction of a new extravagant suite category, **The Regent Suite**. At \$5,000 per person per day, this 4,443-square-foot suite offers a cruise industry first – an in-room spa complete with unlimited treatments, curated by Canyon Ranch SpaClub at Sea in partnership with the beauty experts at Red Flower and luxury cosmetics brand, Natura Bisse. The custom-created Regent Suite spa menu features Canyon Ranch favorites, signature Red Flower services, and three treatments exclusive to the spa suite curated by Natura Bisse.

The full treatment menu for the SpaClub at Sea features services inspired by the seven seas of the modern world. Signature highlights include the Arctic Sea Nourishing Circle, where muscle tensions will be released using ingredients sourced from the Arctic Circle, and the Revitalizing North Pacific Ritual, a six-part massage perfected in Japan.

Seven Seas Explorer will feature the brand's first-ever culinary instruction center, Gourmet Explorer Tours, and offer two new specialty restaurants – Chartreuse, which features classic French cuisine with a modern twist, and Pacific Rim, which will serve a diverse array of expertly-prepared Pan-Asian dishes. Additionally, Canyon Ranch-approved delicacies will be served on the ship's signature restaurant, Compass Rose.
