MEL'S TIPS

by Mel Zuckerman,
*Canyon Ranch founder &
wellness visionary*

EXCELLENT REASONS TO GET A MOVE ON

Exercise makes you feel proud of yourself: There's no more satisfying and legitimate source of self-esteem than knowing you're taking good care of yourself.

Many forms of exercise get you outside: There's no substitute for fresh air and time spent in the natural world.

HOW TO EAT WELL

Splurge on color: The brilliant colors of fruits, vegetables and legumes come from phytochemicals, a varied class of miracle nutrients that scientists are just beginning to appreciate fully. You don't need a degree in biochemistry to choose a variety of brilliantly colored, simply prepared plant foods every day.

HAVE YOU TRIED THESE?

MENUS BY DESIGN

Need help creating delicious and satisfying meals? A Canyon Ranch nutritionist will work with you to create a personalized nutrition prescription based on your lifestyle, health concerns and food preferences. You'll have a full year's access to customized weekly menus, complete with recipes, shopping lists, tips and techniques that help you reach your goals.

For more information on these services, call Program Advising Ext. 5439.

A signature KMX is a facial for your hair. This experience begins with a light exfoliation of the hair, followed by a personalized cleanse for your hair type, and a deep conditioning masque, all completed with a signature massage, a warm towel wrap and a blowout.
