### SCOTT STABLE: THE POWER OF LIVING WITH AN OPEN HEART

September 8 - 10

We all have our stories. We all have our pain. Scott believes the only way to have a chance at healing wounds is to be honest about them. Brave and willing enough to face them. The healing part may be out of our hands, but the brave and honest part is certainly within our power. And it changes everything. For Scott, love supports it all. Love is the base note for everything good – compassion, forgiveness, kindness, authenticity – and choices made from love can only serve ourselves and our world positively.

## MEL'S TIPS

by Mel Zuckerman,  
*Canyon Ranch founder &  
wellness visionary*

### EXCELLENT REASONS TO GET A MOVE ON

Exercise makes you feel proud of yourself. There's no more satisfying and legitimate source of self-esteem than knowing you're taking good care of yourself.

Many forms of exercise get you outside: There's no substitute for fresh air and time spent in the natural world.

### HOW TO EAT WELL

Splurge on color: The brilliant colors of fruits, vegetables and legumes come from phytochemicals, a varied class of miracle nutrients that scientists are just beginning to appreciate fully. You don't need a degree in biochemistry to choose a variety of brilliantly colored, simply prepared plant foods every day.
